Section 2: Problem Resolution and Discipline

The library promotes fair and constructive treatment of unacceptable conduct or work performance. A progressive discipline process is intended to improve performance and behavior.

1. In all cases, a staff member is made aware of a performance or behavior problem promptly and will receive both verbal and written expectations to ensure that he or she knows the standard expected.
2. The progressive disciplinary process is initiated for serious situations in which policies and procedures have been ignored or contravened, or a staff member's performance fails to meet acceptable standards.
 - a) *Step One: Verbal Warning* the CEO or supervisor discusses the situation with the staff member, specifying clear expectations and standards of performances, a plan of action to bring about the desired change, and a reasonable period of time for improvements. A date is set for a follow-up interview
 - b) *Step Two: Written Warning*. Should the problem continue after the time period specified in step 1, the staff member will be given a written warning. The staff member is advised that continued failure to improve the behavior could lead to further disciplinary action including possible dismissal.
 - c) *Step 3: Suspension*. If the staff member's performance fails to improve or if there is a recurrence of misconduct, the CEO determines the need for and length of the suspension. After the suspension an interview will be scheduled to discuss the conditions of return to work.
 - d) *Step 4: Dismissal*. If the staff member fails to improve or if there is a recurrence of misconduct, the CEO prepares for termination.
